Sir:

In regard to the final Office Action dated August 25, 2006, it is respectfully requested that the rejections be reconsidered. This Office Action was a final rejection of claims 1-20 of the subject application. However, the application is believed to be in condition for allowance because the claims are both novel and not obvious over the cited art. The justifications for these beliefs are presented below. As such, the applicant hereby respectfully requests further examination and reconsideration of the subject application.
